Soft

Design by
Danos Salgados

Soft light fixtures are light and colourist, with a fresh appearance that projects a clear, direct lower light shaded by a polycarbonate diffuser.

Made in silicone, the print on their shade is a reminder of classic wine glasses made of Bohemian glass. Soft lights adapt to all preferences and both indoor and outdoor spaces. They can easily be disassembled for cleaning.

Las Soft son ligeras y coloristas, con un aspecto fresh que proyectan una luz inferior clara y directa, matizada por un difusor de policarbonato.

Las Soft son lámparas adaptables a todos los gustos y espacios Indoor y Outdoor. Son fácilmente desmontables para su lavado.
