A blend of classic designs and modern expressions, our range of lighting is rooted in a desire to create pieces that leave a lasting impression. From the iconic forms of Verner Panton and Hvidt & Mølgaard, to contemporary ideas from Signe Hytte, Space Copenhagen and Jaime Hayon – each element of the collection has been curated to offer intuitive solutions for every setting.

Working in close collaboration with a portfolio of international designers, every design offers a unique perspective on illuminating spaces and drawing people together. Portable lamps bring warmth to indoor and outdoor environments with ease, while overhead lamps cast a direct light onto workspaces and communal areas. Available in a range of colours and finishes, our varied collection caters to plethora of spatial and aesthetic requirements.

# *PORTABLES*

From the refined profile of Space Copenhagen's Como, to the iconic form of Verner Panton's Flowerpot, our collection of portable lamps allows you to bring a feeling of ambiance and intimacy where you go: from the lounge, to the kitchen, to the garden.

## Space Copenhagen

### 2014

H: 150cm/59.5in

Lamp: Ø: 50cm/15.7in  
Base: Ø: 30cm/11.8in

Space Copenhagen's goal with the Copenhagen series was to create a lamp that exudes a simple industrial aesthetic without sacrificing elegance. Blending the classic and the modern, the maritime and the industrial, the result is a lamp that embodies an intriguing contrast. The Copenhagen series consists of a table lamp, a floor lamp, and a pendant in three sizes.

#### Materials

Mouth-blown satinised opal glass, bronzed brass & 3.5m PVC cord.

#### Light source

After the success of its floor lamp, &Tradition has expanded the Tripod series to include a table lamp with the same timeless design. Tripod, a table lamp built from powder-coated steel with brass details, reflects the clean minimalism of historic Copenhagen-based duo Hvidt & Mølgaard. Considered Old Masters of mid-century Danish design, their pieces often lend a sculptural element to the spaces they inhabit.
